6. **New Business – 2008 Audit – Larry Filener, Auditor**
 - a) Mr. Filener presented the Board with three (3) reports each marked “Draft” 1) PAHA’s Financial Statements, (Long Report) ending 12/31/08; 2) Report on Internal Control Over Financial Reporting and on Compliance & Other matters based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards; and 3) Independent Auditor’s Report on Compliance with Requirements Applicable to Each Major Program and Internal Control Over Compliance, in Accordance with OMB Circular A-133. Mr. Filener opened with a statement that as auditors, their responsibility is only to express an *opinion* on PAHA’s compliance based on their audit. He further stated that there was both good and bad news contained in the report. He did indicate PAHA’s Financial situation was good, and choosing Bank of Albuquerque to handle its’ finances was a good choice. However, he pointed out a concern/issue of a \$500,000 CD., marked Housing Authority, Restricted. He indicated the CD was found to be several years old, however, they (auditors) were unable to locate its’ origin or ownership. He plans to continue working with the Tribal Accounting Dept. to try and resolve this matter. He reported funding for the IHBG grant years 2003 through 2008 had not yet been spent nor had PAHA made any draw downs to reimburse itself. For IHP’s monies could be used toward new construction. After the auditor’s presentation, some questions were raised by Board members concerning the lack of Internal Controls, and suggested PAHA perform a Property Inventory at least twice a year. Also, what effect would it have on PAHA if dollars are not spent within a certain time. Mr. Filener replied if monies are obligated, monies do not necessarily have to be spent or returned. He spoke on the three (3) reports, pointing out the audit findings including, Criteria, Condition, Cause, Effect, Recommendation and PAHA’s Responses to these findings. With no questions for Mr. Filener, this ended his presentation.

PAHA must now correct these audit findings. Audit is due to HUD, September 30, 2009.

7. **Old Business:**

- a. Executive Director requested the Residential Lease update be part of his Executive Director's report. Board members were all in agreement to his request.
- b. Personnel Policy: (Executive Director, F. Tortalita)
Board was informed the policy provided to them was a re-typed/re-written version of the old Personnel policy. Changes made were based on recommendations made by PAHA staff and reviewed by PAHA's attorney. E.D. Tortalita began reading and explaining the areas changed. The Board decided that due to time constraints in reviewing the entire policy, they agreed they would accept it as presented tonight. The policy will now be sent back to the attorney to prepare as the final copy to be presented at the next BOC meeting for final approval. Board member Don Shields made a motion to accept the Personnel Policy as a "working draft" document to be sent back to the attorney for final write-up and to be presented at the next Board meeting for final approval, seconded by Board member Gary Louis, Sr. With all in favor, Motion carried.
