- **Executive Director Interviews** - A request was made by one of the applicants asking to reschedule his interview. The reason for the request was he would be out of town at the time of the scheduled date. Request was approved.

  During the screening of applications, there was a resume submitted without an application. The Board determined that policy governing the application process explicated requires an application be submitted by the end of the closing day to be considered a complete application was not adhered to and that a resume would not be accepted in lieu of application. Eventually an application was submitted but not received by Human Resources until twelve working days passed the closing date. Therefore, based on this information a call for vote was made whether to consider the applicant as an ineligible candidate for the position of Executive Director. Three (3) Commissioners voted yes, one (1) voted no.

- **ACC Documents** - The ACC document was not readily available to Commissioners for signature. There where other documents reviewed and approved by the Board. These included:
Resignation - A letter dated 11/6/96 was received from Ms. Geri Vallo, notifying the Board of her resignation from the Board of Commissioners effective immediately. She indicated other commitments to educational activities with her family as her reason for her resignation. A motion was made by Commissioner Sarracino to accept Ms. Vallo’s resignation. Motion seconded by Commissioner Martinez. A unanimous vote of four (4) Commissioners voted in favor to accept the resignation.
