## PUBLIC NOTICE

Subject: Temporary Transfer Station Road

The Pueblo of Acoma Housing Authority (PAHA) started construction on its new Low Income Housing Tax Credit Project (LIHTC) on April 12, 2021 and will continue through June 2022. The PAHA and the Pueblo of Acoma Utility Authority have provided a temporary access road to the Transfer Station for the general public and community to use (Please See Attached Map). We ask all community members to please avoid the construction area for safety of not ONLY you as the community but the safety of the construction workers. Please understand there will be construction equipment/vehicles/workers in the area and on the community roads. The PAHA would like to remind all community members to be aware of your surroundings and to remain safe as the PAHA continues with our construction project.
